Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring test that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards. Your student will take the Kindergarten Renaissance Star Early Literacy and Star Math assessments on Monday, April 13 and Tuesday, April 21. The results from PM3 will show how well your student has mastered the grade level content standards.

FAST assessments are computer-adaptive tests taken on a computer or tablet. The questions get less or more difficult depending on how your student responds, and each student will see different questions from a common item bank. You or your student can review sample items at home at <https://flfast.org/families.html>.

The Star Early Literacy assessment typically takes less than 15 minutes to complete, and the Star Math assessment typically takes less than 30 minutes to complete.

If you have any questions related to this test administration, you may contact the Lakeside Academy Testing Coordinator at Stacy.Clark@stjohns.k12.fl.us

For more information about the Florida Statewide Assessments program, please visit the portal at <https://flfast.org/fsa.html>.

Thank you for supporting your student and encouraging him or her to do his or her best on the test.

Sincerely,

Dr. Gates
