

Lakeside Academy

April 2025

Issue # 8

Good afternoon Sasquatch families,

It's hard to believe that April is here! We made it through the silliness of April Fool's Day, which is a pretty big deal here at a school, and I got to witness some pretty clever pranks and jokes among our staff and students. We love to have fun here at Lakeside Academy!

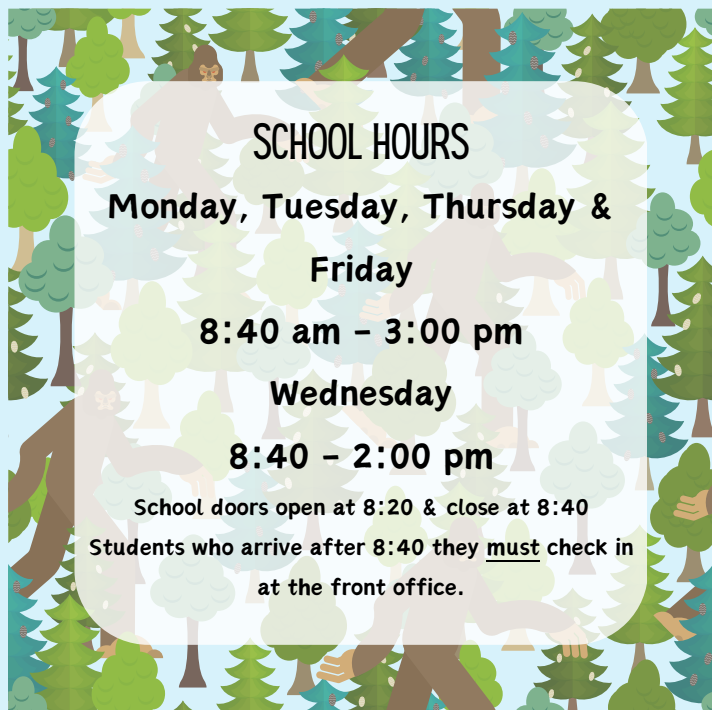

We also know the importance of hard work and academic achievement and are in the middle of our testing season where students can demonstrate all they've learned this year. Testing is going extremely smoothly, and I want to thank Mrs. Clark, our testing coordinator, for all her hard work as we work through the process of testing so many students.

We are also in the process of planning and budgeting for next year. We are currently projected to have nearly 1,600 students next year, from Kindergarten through 8th grade. With these additional students, I'm excited to announce that we will be able to offer a few additional electives for our students! I'm thrilled to announce that drama will be offered for our middle school students next year as one of their elective options. This has long been a passion of mine, and I know of many parents in our community. I can't wait to see our students put on performances for our community! In addition, this teacher will be running a TV production elective which will create a daily YOUTUBE announcement for our school. Be on the lookout for a school messenger to our middle school families coming soon for elective changes should your child be interested in drama and/or TV production. These electives, like all others, will be limited based on available slots.

I'd also like to let everyone know that Lakeside will be running its own before and after-school program next year. While I've been pleased with our partnership with the YMCA, running our own program can provide the school with more revenue and resources which in turn can be used to improve our school. Registration and payment options will be communicated in a separate school messenger and will be on our website as soon as possible. We will be advertising for an extended day coordinator soon and will hire staff to provide our little Sasquatches with rewarding and fun before and after-school care.

That's all for now. It's starting to feel like Florida again with the warmth returning from a few months of winter, but the fire in our desolate campground is still burning, and these are the latest Smoke Signals. . .

DONOR'S CHOOSE PROJECT

We are seeking your support to add a picnic table with an umbrella to our outdoor area, providing a shaded, comfortable space for students to enjoy lunch, collaborate on projects, and participate in outdoor learning activities. This addition will promote a positive and inviting environment where students can connect and learn beyond the classroom. Your generosity will directly impact their experience and well-being.

Outdoor learning opportunities and social interactions are essential for student development, encouraging creativity, teamwork, and a love for nature. With your help, we can create a space where students feel inspired and energized throughout the day. Every donation, big or small, brings us closer to making this vision a reality. Thank you for supporting our school and investing in the growth and happiness of our students!

wellness corner

Nutrition is staple part of our health and wellness. Sometimes it is hard for us to get the needed fruits and veggie servings, especially with some kiddos. Using the “Eat the Rainbow” challenge you may be able to try some new foods and incorporate those from various colors to help expand your Nutrition horizons, while getting kids interested in trying and eating enough servings of fruits and veggies.

5th Grade Character Cup Final Results

We are so proud of our Character Cup Team for their hard work and dedication. We are please to share with our community our Boys 4x100 meter relay team took 2nd place out of all 25 schools attending.

Thank you to Bry'elle, Naiyah, Zahara, Rosabel, Vianna, Charlotte, Gio, Jayden, Trent, Stiles, Dylan, and Noah as well as all the parents and friends that came to support our team and provided snacks to keep our energy up!

bike safety

Students riding bikes(pedaled or motorized) or electric scooters are required to wear a helmet to operate if under the age of 16.

We have well over 100 motorized vehicles on campus, those 100 students leave campus within 5 minutes of each other alongside the students walking and on pedaled bikes and scooters. A helmet can help protect everyone, especially a student that is impacted by a motorized bike or scooter.

****Please refer to Florida Bike Safety Full Statute [CLICK HERE](#) Please Ask Deputy Ramos for more information!*

REMEMBER TEACHERS AT BIKE RACKS ARE TRYING TO HELP KEEP OUR STUDENTS SAFE AND BIKES ACCESSIBLE WITHOUT FALLING ON OTHERS WHENEVER POSSIBLE

WE DO NOT RIDE ANY VEHICLE (BIKE, EBIKE, SCOOTER, ESCOOTER) ON SCHOOL GROUNDS – WE WALK BIKE TO FIRST POLE THEN RIDE AS YOU CAN SEE WHAT IS AHEAD OF YOU THEN *** OUR EBIKES ARE GOING TO FAST MAKING IT DANGEROUS WHEN THERE IS CONGESTION - PLEASE SLOW DOWN! PLEASE DO NOT BLOCK WALKWAYS, SIMPLY TURN YOUR BIKE INTO AN OPEN SLOT – BIKES WITH KICKSTANDS DO NOT NEED TO GO UP AN OVER A BIKE RACK TURN JUST PLACE IN A SLOT AND PUT KICKSTAND DOWN PLEASE DO NOT HANG SCOOTERS NOR DOUBLE PARK/STACK BIKES – ONLY ONE ITEM PER SPACE ON FENCE PARENTS/STUDENTS SHOULD NOT PICK UP OR DROP OFF ALONGSIDE OF BIKE RACK/BUS LOOP/CAR RIDER AREAS
