Athletic Requirements

Participation on an athletic team is a privilege that carries significant responsibility. Student-athletes are expected to model maturity, respect, and dedication, setting a high standard for the entire school community. At St. Johns County School District, we emphasize leadership by example both on and off the field. Athletes must adhere to the coach's expectations and conduct themselves in a way that reflects positively on both their school and themselves.

To participate in sports at a St. Johns County School District school, student-athletes must meet the following requirements:

- **Physical Examination:**

A current sports physical, dated no earlier than June 1, must be completed using the FHSAA Physical Form prior to the first scheduled game. It is recommended that students submit a copy rather than the original physical form. Original documents should be retained for use in other sports throughout the school year. To protect student privacy, physical forms are shredded at the conclusion of each season.

- **Academic Eligibility:**

Students must maintain a minimum GPA of 2.0. Any student failing a class is ineligible to participate in games until they achieve a GPA of 2.0 or higher and are passing all classes. It is the student's responsibility to communicate with the sports director to confirm eligibility status.

- **Disciplinary Action:**

- In-School Suspension results in automatic suspension from two games.
- Out-of-School Suspension results in ineligibility for the remainder of the season.

- **Attendance:**

On game days, athletes must attend at least half of the school day to be eligible to participate in that day's game.
